

Bailey & Company Facilitates Surgery Partners' Acquisition of San Jose-Based Surgery Centers

NASHVILLE, TN (May 29, 2025): [Bailey & Company](#)

announced today that it facilitated the sale of two of the largest independent Ambulatory Surgery Centers ("ASCs") in San Jose to [Surgery Partners](#). The strategic acquisitions of [Montpelier Surgery Center](#) and [Advanced Surgery Center](#) will expand Surgery Partners' catchment area in the region and solidifies their position as the largest ASC presence in the South Bay.

"Working with Bailey & Company on these transactions was immensely helpful for us to further expand our foothold in the South Bay," said Dr. Huy Trinh, lead partner in both Montpelier Surgery Center and Advanced Surgery

Center. "We look forward to continuing to serve the San Jose community while increasing positive health outcomes across the area with the added capabilities of Surgery Partners' network."

"Surgery Partners has established its commitment to furthering health outcomes with these strategic acquisitions in the South Bay," said Richard Jacques, Managing Director at Bailey.

"We were proud to help facilitate these transactions and wish the team the best as they continue to grow their capabilities and traction across the country."

These deals demonstrate Bailey's profound understanding of the healthcare services sector, particularly in strategic mergers and acquisitions. The firm continues to navigate clients

through healthcare M&A to help advance care outcomes across the country through combined capabilities for regional benefit.
